Re: Ex Parte Notification – WT Docket No. 99-168

Dear Ms. Salas:

On November 22, 1999, Rich Barth, Leigh Chinitz, and Jeanine Poltronieri, of Motorola, and Mark E. Crosby, of the Industrial Telecommunications Association (ITA), met with Peter Tenhula, Senior Legal Advisor to Commissioner Michael K. Powell of the Federal Communications Commission.

Motorola and ITA discussed the band plan Motorola has proposed in the above captioned proceeding, consistent with their comments filed in the proceeding. Motorola and ITA expressed their view that Motorola's plan for the 746-806 MHz band provides the greatest benefit to the public by maximizing efficient use of the spectrum.

Please contact Jeanine Poltronieri at (202) 371-6896 regarding any questions concerning this matter.

Respectfully Submitted,

Jeanine Poltronieri
Motorola, Inc.
